

THE RIGHT GEAR FOR A SAFE RIDE

EVERYDAY SAFETY ESSENTIALS: MOTORCYCLE EQUIPMENT AND ACCESSORIES

HELMET

Provides a good fit and comfort with CE and ECE 22.05 approved protection. It comes with removable and washable inner and full front to back airflow ventilation for your comfort. The helmet is the most important piece of protective gear.

MOTORCYCLE PANTS

Delivers high quality protection in a waterproof material with detachable thermal lining, pockets, adjustable straps/belt and long ventilation zippers. With the CE EN1621-1 approved knee protectors, the memory foam hip protectors and the stretch panels, these pants secure ultimate protection and fit.

MOTORCYCLE JACKET

Provides ultimate protection in a waterproof material with adjustable ventilation, detachable thermal lining and adjustable straps/belt. The elbows and shoulders protections are CE EN1621-1 approved. The jacket comes with plenty of pockets including a dedicated water-resistant cell phone pocket.

RIDING GLOVES

Lightweight off-road glove designed to ensure maximum comfort and protection with hard knuckle protection and adjustable wrist strap.

RIDING BOOTS

Designed to keep you dry, comfortable and protected, boots offer an excellent lower leg protection. A double density rubber sole, shin, ankle and gear pad protection are standard safety features.

LUGGAGE TOP BOX

Equipped with built-in reflectors and made from high impact plastic with a 28-liter capacity the top box offers a durable and versatile means of safekeeping.

ANTI THEFT LOCK

Lightweight braided steel cable protected by vinyl sleeve.

FOOT PUMP WITH MANOMETER

Tyre inflating foot operated air pump with pressure gauge including universal valve adaptors.

UV PROTECTION GLASSES

Provide protection from the dust, wind and bright sunlight to avoid distracting your vision while driving. Lightweight to offer you comfort for prolong duration.
