

A warranty for the long haul and beyond

Every Aid+Development Ford vehicle is covered by the Ford Bumper-to-Bumper New Vehicle Limited Warranty for 3 years/60,000 km.

In addition to that coverage, all eligible Ford vehicles also receive a Limited Powertrain Extended Service Plan (ESP) for 5 years/100,000 km, whichever comes first. ESP covers 29 major powertrain components, including the engine, transmission, and the front and rear drive axles.

That's **a total of 5 years/100,000 km** of peace-of-mind powertrain coverage for all eligible¹ Ford vehicles.

The Owner's Manual included in every Ford vehicle provides coverage details for the standard Ford Bumper-to-Bumper New Vehicle Limited Warranty.

Ford ESP may improve resale value

Any remaining coverage is transferable to a new owner if you sell your vehicle. So PowertrainCARE may actually add resale value.

Ford ESP

The only extended service plan offered by Ford Motor Company that guarantees your work will be performed using Ford and Motorcraft OEM parts.

PowertrainCARE is a great value

Ford and your Aid+Development distributor believe in offering their customers a great value. So much so, we firmly stand behind it.

That's peace of mind.

QUALITY, GREEN, SAFE AND SMART.

Important Details About Ford ESP PowertrainCARE

Failure of covered components due to normal wear, and mechanical breakdowns, and repairs caused by defective material or workmanship of covered components are included. This information is intended to provide general information about Ford ESP. Prices and plans are subject to change without notice. □ For New Plans: Coverage begins with the original in-service date (Bumper-to-Bumper New Vehicle Limited Warranty start date) and zero kilometers. Coverage expires upon reaching 5 years or 100,000 km, whichever occurs first. Some eligibility limitations may apply. Ask your Aid+Development distributor or dealer for details.

**Protection beyond
the factory warranty**

Ford Extended Service Plan PowertrainCARE

¹Eligibility for ESP is limited to standard/normal wear and tear. Vehicles subject to severe operating conditions and usage (like mining vehicles) are ineligible for ESP. Military service vehicles are also excluded from ESP coverage. Ford reserves the right to review vehicle claims for non-standard wear and tear on a case-by-case basis.

Which components does PowertrainCARE cover?

Engine

- All internal lubricated parts
- Cylinder block
- Cylinder heads
- Flywheel
- Manifold (exhaust and intake)
- Manifold and bolts
- Oil pan
